**859-236-2053**

**448 S. 3rd St. Danville, KY**

The Health Access Nurturing Development Services (HANDS) program is a free voluntary home visitation program for new and expectant parents. Families begin by meeting with a HANDS Parent Visitor who will discuss any questions or concerns about pregnancy or a baby's first years. Based on the discussion, all families will receive information and learn about resources available in the community for new parents. Some families will receive further support through home visitation. Parents can expect support through your pregnancy and the early years of your baby's life, ways to make your home safer for your baby, information on how to care for your baby, facts that will let you know your baby is growing and developing in healthy ways, activities that you and your baby can enjoy together that can stimulate your child's brain development, and access to other community services.
